MEMBERSHIP & 3D PRINTING RULEBOOK

PRINT MORE. SPEND LESS. SCALE SMARTER.

****Applicable to only =>0.28mm Layer height.**

1. ABOUT FRAXUS 3D PRINTING FARM

India is moving towards smarter, faster and more flexible manufacturing—and Fraxus 3D Printing Farm is built to power that shift. With **70+ 3D printers, 2,000+ kg monthly printing capacity, and a Jaipur-based large-scale production facility**, Fraxus is positioned as **Rajasthan's largest 3D printing farm**, empowering innovators, startups, businesses and manufacturers to turn ideas into physical products at scale. Our high-capacity farm enables **cost-effective bulk 3D printing and limited-volume batch production**, helping businesses avoid or reduce expensive dies, tooling and conventional process costs. Whether you need hundreds of parts or continuous batch production, **print more, produce faster and spend significantly less** with Fraxus 3D Printing Farm. **Print More. Spend Less. Scale Smarter.**

2. 3D PRINTING FARM MEMBERSHIP

The Fraxus 3D Printing Farm Membership is designed for customers requiring **frequent, bulk and cost-effective 3D printing**, providing access to exclusive membership benefits, priority services and special printing rates.

Membership benefits are subject to the eligibility criteria, validity, payment terms and other conditions specified in this Rulebook.

3. MEMBERSHIP ELIGIBILITY & VALIDATION

- The student must provide an **Institute Domain Email ID; OR**
- An official email/confirmation from the institute confirming the student's current validity/enrolment may be accepted.
- Fraxus 3D reserves the right to verify the submitted credentials before activation or continuation of membership.

3.2 Startup Membership

To avail Startup Membership:

- A valid **Startup India DPIIT Certificate** is mandatory.
- A valid **business email ID with the startup's official domain** is required.
- Fraxus 3D reserves the right to verify the submitted credentials before activation or continuation of membership.

4. 3D PRINTING FARM MEMBERSHIP BENEFITS

Eligible members may receive the following benefits, depending on their selected membership plan:

- Exclusive member pricing
- Member-only offers and discounts
- Priority print queue
- Priority order processing
- Premium branded materials, wherever applicable
- Dedicated customer support
- Early access to new materials
- Factory visit access
- Free print consultation
- Membership-specific printing rates
- Access to applicable special offers

Membership benefits may vary according to the selected membership plan.

5. PRINTING FARM RATE ELIGIBILITY

The **3D Printing Farm special rates** are applicable only when the eligible print weight is **above 1 kg**.

- If the print weight is **1 kg or below**, normal applicable printing rates will be charged.
- The applicable Printing Farm rate will be determined according to the applicable material and weight slab mentioned in the **attached Printing Farm Rate Card**.
- The attached Printing Farm Rate Card forms an **integral part of this Rulebook**.

ALL 3D PRINTING FARM RATES ARE APPLICABLE ONLY FOR PRINT-READY FILES.

6. FDM PRINTING FARM RATES

The applicable **FDM 3D Printing Farm rates** are provided in the **attached Printing Farm Rate Card**, which forms an integral part of this Rulebook.

These Printing Farm rates are applicable only when the eligible print weight is above 1 kg.

For orders with print weight of **1 kg or below**, normal applicable printing rates will apply.

The applicable rate will be determined according to the **FDM material and weight slab** specified in the attached Rate Card.

7. RESIN / SLA PRINTING FARM RATES

The applicable **Resin/SLA 3D Printing Farm rates** are provided in the **attached Printing Farm Rate Card**, which forms an integral part of this Rulebook.

These Printing Farm rates are applicable only when the eligible print weight is above 1 kg.

The applicable rate will be determined according to the **Resin/SLA material and weight slab** specified in the attached Rate Card.

8. MEMBERSHIP BENEFITS — BILLING & ORDER ELIGIBILITY

3D Printing Farm Membership benefits are not applicable to:

- Non-GST invoices
- Cash orders

Membership benefits and applicable special rates will be available only against eligible transactions processed through the official billing and payment process.

9. PAYMENT TERMS

- **50% advance payment is mandatory** for orders placed under 3D Printing Farm rates.
- **No credit facility** is applicable under the 3D Printing Farm special rates.
- The remaining **50% payment must be cleared before dispatch**.
- Dispatch of completed prints will be initiated only after receipt of the full payment.

10. SERVICES NOT INCLUDED IN PRINTING FARM RATES

The quoted 3D Printing Farm rates are strictly for the applicable 3D printing service and **do not include**:

- Sanding
- Painting
- Post-processing / pasting
- Designing
- Design modifications/revisions
- Packaging

- Shipping / transportation

Any of the above services, wherever required, will be **charged separately**.

11. PRINT-READY FILE REQUIREMENT

ALL 3D PRINTING FARM RATES ARE APPLICABLE ONLY FOR PRINT-READY FILES.

The customer is responsible for providing a file that is ready for 3D printing.

Any requirement for:

- New designing
- Design correction
- Design modification
- File preparation
- Additional engineering/design work

will be treated as a separate service and charged separately, wherever applicable.

12. ORDER QUEUE & PRIORITY

All orders will be processed on a **First Come, First Serve (FCFS)** basis.

Membership holders may receive priority in the printing queue as part of their applicable membership benefits.

However:

- **Among members**, orders will be processed strictly on an FCFS basis.
- **Among normal/non-member customers**, orders will be processed strictly on an FCFS basis.
- Membership priority may shift a member's order ahead of eligible normal/non-member orders.
- One member cannot overtake another member who placed an order earlier solely because of membership.
- Similarly, one normal/non-member order cannot overtake another earlier normal/non-member order.

Production scheduling may also be subject to machine availability, material availability and technical feasibility.

13. MEMBERSHIP ACTIVATION & EXPIRY REMINDERS

Upon activation or renewal of membership, the customer will receive an **official email confirmation** mentioning the membership plan and its expiry date.

Monthly Membership

Expiry reminders will be sent **after Day 27, Day 28 and Day 29.**

Yearly Membership

Expiry reminders will be sent **after Day 360 and Day 363.**

Customers are responsible for ensuring that their registered email and contact details remain updated.

14. MEMBERSHIP EXPIRY & PORTAL UPDATE

The Fraxus 3D team will receive an official email notification to update the membership plan validity on the portal immediately after:

- **31 days** — Monthly Membership
- **365 days** — Yearly Membership

Upon expiry, the membership status will be updated on the portal with immediate effect.

All further membership benefits will remain on hold after expiry until the membership is renewed/upgraded and the applicable validity is updated.

15. MEMBERSHIP RENEWAL & UPGRADE

Membership can be **renewed or upgraded at any time** by contacting the Fraxus 3D team through official communication channels only.

Official Email Channels: sales@fraxus3d.com, info@fraxus3d.com

All membership requests, renewals, upgrades and printing orders should be communicated through **official Fraxus 3D channels only.**

Renewal or upgrade will be subject to the applicable plan, pricing, offers and terms prevailing at the time of renewal or upgrade.

16. SPECIAL RATE VALIDITY

Special 3D Printing Farm/Membership rates will be applicable **only when the order is placed during the valid tenure of the applicable membership plan.**

The final completion date or dispatch date of the order is not associated with membership validity.

Therefore, if an order was validly placed during the active membership period, the applicable special rate will remain valid for that confirmed order even if the membership subsequently expires before completion or dispatch.

17. ORDER CANCELLATION

In case of cancellation of an order after placement/confirmation:

THE ADVANCE PAYMENT SHALL BE NON-REFUNDABLE.

The advance is non-refundable because the 3D Printing Farm operates on a **fastest-service and capacity-allocation model**, under which machine capacity, production slots, materials and operational resources may be allocated immediately after order confirmation.

18. SPECIAL LAUNCHING OFFER & RATE REVISION

This Membership Plan is introduced as a **Special Launching Offer**.

The membership plan, membership benefits, 3D printing rates, offers and associated terms may be **revised, modified or updated from time to time** according to applicable offers and business policies.

Protection of Confirmed Orders

Any purchase, order or booking for which the required advance payment has been **received and confirmed** will remain valid according to the:

- Membership plan
- Printing rate
- Offer
- Terms and conditions

applicable at the time of such confirmed booking/payment.

Any subsequent revision, rate change or new offer announced after the booking—including an offer updated on the following day—**will not affect an already confirmed order**.

The confirmed order will continue under the terms prevailing at the time of booking and receipt of advance payment.

19. RATE & MATERIAL APPLICABILITY

Printing rates may vary depending upon:

- Printing technology
- Material
- Printing weight
- Applicable membership
- Applicable offer
- Order quantity
- Technical requirements

FDM and Resin/SLA materials may have separate rate structures as specified in the attached Rate Card.

Special material requirements, premium materials or materials outside the applicable standard rate structure may be charged separately.

20. MANAGEMENT RIGHTS

Fraxus 3D management reserves the **final right and authority to modify, amend, revise, suspend or withdraw** any:

- Membership plan
- Membership benefit
- Printing rate
- Special offer
- Service
- Eligibility criteria
- Operational rule
- Payment condition
- Other terms related to the 3D Printing Farm

Management's decision in such matters shall be **final and binding**.

Any applicable modification will be communicated through official Fraxus 3D channels wherever required.

21. GENERAL TERMS

- All orders are subject to technical feasibility and production capacity.
- Printing timelines may vary depending on order quantity, machine availability, material availability and technical requirements.
- Customers must provide accurate order information and print-ready files.
- Additional services outside the applicable printing rate will be charged separately.
- Membership benefits are applicable only to the eligible member/account and are not transferable unless specifically approved by Fraxus 3D.
- Fraxus 3D may refuse or defer an order where the file, material, application or technical requirement is unsuitable for the available printing process.
- All transactions are subject to applicable GST and statutory charges.
- Official communication through Fraxus 3D's authorized channels will prevail over informal or unauthorized commitments.

22. CUSTOMER ACKNOWLEDGEMENT

By purchasing a 3D Printing Farm Membership or placing an order under the 3D Printing Farm/Membership rates, the customer confirms that they have **read, understood and**

accepted the applicable terms and conditions contained in this Rulebook and the attached Printing Farm Rate Card.
